

Advanced Solutions For Better Mailings

Escalating postage costs and constantly changing postal requirements can pose challenges for mailers. At Midwest Direct, we process over a million pieces of mail every day. On average, we are able to reduce our customers' overall postage costs by up to 10% - with improved delivery. Our advanced solutions are:

Easy:

We know the ins and outs of the postal service. Our customers are able to leverage our single source postal solution and nearly 30 years of knowledge and experience to keep abreast of all the latest postal requirements.

Efficient:

No matter how large or small the project, our team of mail, postal and printing experts can provide you with quick turn-around and capable processing.

Effective:

Our suite of services will provide you with outstanding reliability, consistent deliverability and a better return on your investment.

Let us show you how we can maximize your expenditures by providing advanced solutions for better mailings.
