

Commingling: Simple As Cake

Commingling your mail may seem intimidating to any marketer who has never done it before. You've probably heard that commingling can save you money or help your direct marketing mail get out more efficiently. Maybe you've been hesitant to try it because you're not sure how it really works. With Midwest Direct, commingling is as simple as baking a cake.

We're here to help you manage your mailings every step of the way. If you're feeling stuck in the batter and don't know where to start, **CONTACT US** today. We'll get you and your mail where it needs to be.
